## BEST PRACTICE – I

### 1. Title of the Practice: Student Council

### 2. Objective of the Practice:

The purpose of the Student Council is to serve as the effective communication medium between the administration and students. Even though there is a fair chance to every student to communicate at any time with the administrative officials, Student Council acts as the interactive body facilitating primary level of communication. Student Council also assists in planning and development of various cultural, sports, social, recreational and other educational interests of students in the institution. The Student council provides scope to contribute in the development of students' leadership skills, program planning and volunteering.

### 3. The Context:

The Student council was started during the year 2011-12 and continues till date effectively. This was constituted to make our Institution more administrative, participatory feedback system and Student Centric.

- To promote the interests of students among the Institute administration, staff and parents
- To inform students about any subject that concerns them
- To identify and help solve problems encountered by students in the Institute
- To consult students on any issue of importance
- To organize educational and recreational activities for students
- To participate in developing the Institute's educational projects and to promote it to students
- To organize an activity to recognize the efforts of students involved in organizing Institute activities
- To propose activities to the Institute administration that would improve the quality of life in the Institute
- To maintain good relations, out of mutual respect, with the Institute staff (teaching and non-teaching personnel) and parents

### 4. The Practice:

- Officially represent all the students in the Institute
