T. M. Palayam, Coimbatore-641 105

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai)

Accredited by NAAC, Recognized by UGC with 2(f) and 12(B)

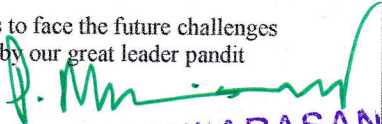

NBA Accredited UG Courses: AERO, CSE, MECH

7.2 BEST PRACTICES

Vision: Our vision is to mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader pandit Jawaharlal Nehru.

Mission: To build a strong centre of learning and research in Engineering and Technology.
To facilitate the youth to learn and imbibe discipline, culture and spirituality
To produce quality engineers, dedicated scientists and leaders.
To encourage Entrepreneurship
To face the challenging needs of the global industries.

NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY

T. M. PALAYAM, COIMBATORE-641105

Approved by AICTE- New Delhi, Affiliated to Anna University - Chennai

Accredited by NAAC with "B++"

STUDENT COUNCIL: 2017-18

NIET/SC/17/01

Date: 12.06.2017

Venue: Boardroom "A" Block
Time: 11.00 a.m

Meeting Chaired by: The Principal, NIET

Members Attended : All Department HoD's and Academic Coordinators

Agenda:

- Constitution of Student Council for the Academic Year 2017-18.
- Discussion on the criteria's for the selection of Nominees.

Minutes of Meeting

- The Principal discussed with the Head of the Departments of both UG and PG regarding the constitution of the Student Council for the Academic Year 2017-18.
- The student Council will be constituted with the student members from the UG Engineering departments and PG – MBA, MCA.
- Also two faculty advisors will be assigned responsibility as the Student Council in charges.
- The student members will be students opted by the Head of the Departments after the meeting with concerned department faculty members and student representatives.
- The student Members should have higher CGPA, good communication, teamwork, leadership qualities and attitude to represent the administrative decisions and carry forward the institution to the next higher level in achieving the academic excellence.
- The departments are instructed to submit their nominees on 14.06.2017 with S.No. Name, Department, Contact Number and Email id.
- Further the next meeting on Student Council will be held on 16.06.2017 for further discussion.

STUDENT COUNCIL: 2017-18

NIET/SC/17/03

Date: 21.06.2017

Venue: Boardroom "A" Block

Time: 12.00 p.m

Meeting Chaired by: The Principal, NIET

Members Attended : Student Council Members and Faculty Advisors

Forwarded: Based on the meeting held on 16.06.2017.

Agenda:

- Announcement of Constituted Student Council Members for the Academic Year 2017-18.
- Dissemination of Vision, Mission, PEO, PSO and PO.

Minutes of Meeting

- Principal opened the first meeting of student council for the Academic Year 2017-18 announcing the Student Council Members.

S.No.	Name	Department	Positions
1	Preema Paul	MECT	Chairperson
2	K. Mahalakshmi	ECE	Vice Chairperson
3	S. Subashini	AERO	Secretary
4	Teena Johnson	CSE	Joint Secretary 1
5	Praveen Kumar Dubey	EEE	Joint Secretary 2
6	M. Abijith	MECH	Treasurer
7	C.S. Sanjana	MBA	Executive Council Members
8	P. Sugand	MCA	

The Principal introduced the Faculty Advisors to the Student Council Members and told that henceforth the student council meeting shall be conducted twice in a month.

The student council members can represent the faculty advisors/office any time to represent their view.

The principal announced the Vision, Mission and PO of the Institute to the members.

Vision

Our vision is to mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader Pandit Jawaharlal Nehru.

Mission

- To build a strong centre of learning and research in engineering and technology.
- To facilitate the youth to learn and imbibe discipline, culture and spirituality.
- To produce quality engineers, dedicated scientists and leaders.
- To encourage entrepreneurship.
- To face the challenging needs of the global industries.

College Vision

Our vision is to mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader Pandit Jawaharlal Nehru.

College Mission

- To build a strong centre of learning and research in engineering and technology.
- To facilitate the youth to learn and imbibe discipline, culture and spirituality.
- To produce quality engineers, dedicated scientists and leaders.
- To encourage entrepreneurship.
- To face the challenging needs of the global industries.

Program Outcomes

1. **Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization for the solution of complex engineering problems.
2. **Problem analysis:** Identify, formulate, research literature, and analyse complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
3. **Design/development of solutions:** Design solutions for complex engineering problems and design system the components or processes that meet the specified needs with appropriate consideration for public health and safety, and cultural, societal, and environmental considerations.
4. **Conduct investigations of complex problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
5. **Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools, including prediction and modelling to complex engineering activities, with an understanding of the limitations.
6. **The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal, cultural issues and the consequent responsibilities relevant to the professional engineering practice.

Vision

Our vision is to mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader Pandit Jawaharlal Nehru.

Mission

- To build a strong centre of learning and research in engineering and technology.
- To facilitate the youth to learn and imbibe discipline, culture and spirituality.
- To produce quality engineers, dedicated scientists and leaders.
- To encourage entrepreneurship.
- To face the challenging needs of the global industries.

7. **Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, need for sustainable development.
8. **Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
9. **Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
10. **Communication:** Communicate effectively on complex engineering activities with the engineering the community and with the society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
11. **Project management and finance:** Demonstrate knowledge and understanding of the engineering and the management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
12. **Life-long learning:** Recognise the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

STUDENT COUNCIL: 2017-18

NIET/SC/17/04

Date: 05.07.2017

Venue: Boardroom "A" Block
Time: 10.00 a.m

Meeting Chaired by: Faculty Advisors
Members Attended : Student Council Members

Agenda:

- Identification of Student welfare Plans
- New Ideas and Strategies for Improvement

Forwarded: Based on the meeting held on 05.07.2017.

Action Plan carried forward:

The Faculty Representatives on coming into role has decided to chair the meetings twice in a month. The meeting shall be held without prior notice if there is a need of immediate addressing. The Student Council must inform their concerned department before involving their participation to the meeting.

On any need the Student Council can represent the faculty in charges and office.

Since the first year students are awaited most probably on 17th July, 2017 it is decided to take care on no ragging activities, strictly prohibited in NIET. The student council members assured that new fresher's will have positive feedback from them stating that it was helpful; for them to adapt to college life.

The Student Council was told to look on the activities of the Programme Outcome Based Education and NBA Accreditation on 13th July, 2017.

Respected Sir,

Sub: Requisition for approval of Budget for NIET- College Day to be held on 28.03.2018 – Reg:-

The NIET- College Day will be held on 28.03.2018. In this regard an approximate budget proposal is furnished for your kind approval.

The details are,

Sl	Particulars	Expenditures	Amount (Rupees)
1.	Cash Prize -Students Promo video and poster design activity	3 Team	Rs.6000/-
2.	Memento		Management
3	Certificate		Management
4	Audio and Video		Management
5	Flex and Stage Arrangement		Management
6	Tea and Refreshment- VIP		Management
7	VIP – Memento	1 No	Management
8	VIP- Local Hospitality-If Necessary		Management
9	Decoration- stage & Kolam , <i>welcome dance</i>		5000 +
10	DJ		Management
Total			Rs.11,000/-

Kindly do the needful.

Thanking You,

5000/-
16,000/-

Yours Faithfully

T.M. Palayam, Coimbatore - 641 105

Our Vision

Our Vision is to mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader Pandit Jawaharlal Nehru.

Our Mission

- To build a strong centre of learning and research in engineering and technology.
- To facilitate the youth to learn and imbibe discipline, culture and spirituality.
- To produce quality engineers, dedicated scientists and leaders.
- To encourage entrepreneurship.
- To face the challenging needs of the global industries.

STUDENT COUNCIL: 2018-19

NIET/SC/18/02
Venue: Boardroom

Date: 16.07.2018

Time: 3.30 p.m

Meeting Chaired by: The Principal, NIET

Members Attended: Student Council Faculty Advisors and Student Members

Agenda:

- Constitution of Student Council for the Academic Year 2018-19.
- Discussion on the portfolios and their work distribution.

Minutes of Meeting

- Based on the nominees submitted from various departments considering the previous positions occupied the Principal announced the Student Council Members and their portfolios:

S.No.	Name	Department	Portfolio Identified
1	Sidharth. K	CSE	College –
2	Nivetha. N	MECT	Magazine/Newsletter/Journal
3	Ranjeeta Radhakrishnan Iyer	ECE	Library, General Facilities – “A” Block, Music System
4	Vishnu Prasad. KK	AERO	Canteen, Cafeteria, Mess, General Facilities – “B” Block,
5	Robbin Benny. M	MECH	Coordinating Various Events
6	M. Gayathri	EEE	and activities

- The faculty advisors will be **Mr. D. Saravana Kumar (AP/EEE) and**

Vision

Our vision is to mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader Pandit Jawaharlal Nehru.

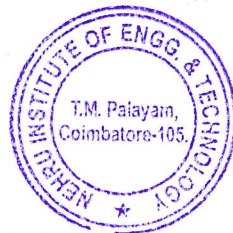

Mission

- To build a strong centre of learning and research in engineering and technology.
- To facilitate the youth to learn and imbibe discipline, culture and spirituality.
- To produce quality engineers, dedicated scientists and leaders.
- To encourage entrepreneurship.
- To face the challenging needs of the global industries.

- The principal announced the Vision, Mission and PO of the Institute to the members.
- The Student Council Meeting shall be held periodically with Student Members and Faculty Advisors.
- Monthly once the progress shall be reported to the Principal.
- The student council members can represent the faculty advisors/office any time to represent their view.
- The meeting shall be held without prior notice if there is a need of immediate addressing.
- The Student Council must inform their concerned department before involving their participation to the meeting.
- It is instructed that all the Head of the Departments should extend their cooperation in allowing the Student Council Members as on necessity.
- The student council members assured that new fresher's will have positive feedback from them stating that it was helpful; for them to adapt to college life.
- The Student Council was told to look on the activities of the Programme Outcome Based Education and NBA Accreditation.

Minutes of Meeting

The principal announced the Vision, Mission and PO of the Institute to the members.

College Vision

Our vision is to mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader Pandit Jawaharlal Nehru.

College Mission

- To build a strong centre of learning and research in engineering and technology.
- To facilitate the youth to learn and imbibe discipline, culture and spirituality.
- To produce quality engineers, dedicated scientists and leaders.
- To encourage entrepreneurship.
- To face the challenging needs of the global industries.

Vision

Our vision is to mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader Pandit Jawaharlal Nehru.

Mission

- To build a strong centre of learning and research in engineering and technology.
- To facilitate the youth to learn and imbibe discipline, culture and spirituality.
- To produce quality engineers, dedicated scientists and leaders.
- To encourage entrepreneurship.
- To face the challenging needs of the global industries.

Program Outcomes

1. **Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization for the solution of complex engineering problems.
2. **Problem analysis:** Identify, formulate, research literature, and analyse complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
3. **Design/development of solutions:** Design solutions for complex engineering problems and design system the components or processes that meet the specified needs with appropriate consideration for public health and safety, and cultural, societal, and environmental considerations.
4. **Conduct investigations of complex problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
5. **Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools, including prediction and modelling to complex engineering activities, with an understanding of the limitations.
6. **The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal, cultural issues and the consequent responsibilities relevant to the professional engineering practice.
7. **Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, need for sustainable development.
8. **Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
9. **Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
10. **Communication:** Communicate effectively on complex engineering activities with the engineering the community and with the society at large, such as, being able to comprehend and write effective

Vision

Our vision is to mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader Pandit Jawaharlal Nehru.

Mission

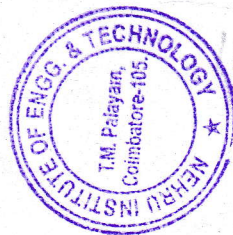

- To build a strong centre of learning and research in engineering and technology.
- To facilitate the youth to learn and imbibe discipline, culture and spirituality.
- To produce quality engineers, dedicated scientists and leaders.
- To encourage entrepreneurship.
- To face the challenging needs of the global industries.

reports and design documentation, make effective presentations, and give and receive clear instructions.

11. **Project management and finance:** Demonstrate knowledge and understanding of the engineering and the management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
12. **Life-long learning:** Recognise the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

- Further Principal insisted the faculty advisors to chair the meetings and report on the grievances.
- The meeting shall be held without prior notice if there is a need of immediate addressing.
- The Student Council must inform their concerned department before involving their participation to the meeting.
- On any need the Student Council can represent the faculty in charges and office.
- Since Independence Day is on 15.08.2018, the student council members were asked to support on the arrangements of the programme along with the NSS team.
- In-order to improve the academic pass percentage the events for the Academic year 2018-19 are decentralized and the departments those willing to conduct the event or festival like onam and pongal can be organized with the concurrence from the concerned Head of the Department.
- The student Council Chairman was elected and Mr. Sidarth. K of CSE will hold the post to coordinate all the activities along with the other council members.
- Mr. K. Sidarth was told to address the students on the fresher's orientation programme, positively welcoming the juniors to the campus.

NEHRU CORPORATE PLACEMENTS AND INDUSTRY RELATIONS

At NIET, we ensure that every student is individual care & attention when it comes to employability skills. Training department at NCPIR ensures students are trained on Domain related tools, technologies and soft skills.

Students can access various learning modules available at learning labs or through online e-learning available. 24/7 learning facility at NCPIR Block enables students any time anything learning. NGI has partnered with Global technology companies like Microsoft, Oracle, Redhat, EMC, Autodesk, Openstack and many more to train our students on various technologies including Cloud Computing. Students also can take up international certification offered by various companies which will help them to have an edge over other students.
