A Tribute to a Great Leader

Biography of Founder Chairman

Shri. P. K. Das,

The Bhisnacharya of Education

Whenever we hear the name, Nehru College, immediately the name of our Chairman Shri. P. K. Das comes to our mind. Our Chairman's name is synonymous with Nehru Colleges, which stand as Hall Mark of Quality in the field of higher education. Through his hard toil, sweat, firm determination and strict self discipline, he established Nehru College of Aeronautics and Applied Sciences at Kuniamuthur, Coimbatore in 1968. Besides this College, he established Engineering Colleges, Arts & Science College, Pharmacy College, Aviation Institute, Super Specialty Hospital with Medical College, Management Colleges, Architecture College and Academy of Law in Tamil Nadu and Kerala.

He was hardly 29 years of age in 1968, when he started his career as an Academician at Coimbatore. The meteoric rise of this great personality in the field of technical and higher education was phenomenal and great.

A humble beginning was made. Despite innumerable difficulties and insurmountable obstacles he had to face with, he didn't budge an inch, but forged ahead with firm determination and iron will, to accomplish success after success. Year after year, he was reaping rich dividends and accolades. He was standing like a Colossus. The flag ship institution namely Nehru College of Aeronautics & Applied Sciences has emerged as a unique institution in this country. This College is the only one with so many specializations in Aeronautical Maintenance Engineering. In the field of Applied Sciences, several branches for B.Sc. degree courses in Aeronautical Engineering, Electronics, Computer Science and Avionics and MBA in Air Line and Airport Management were started there. The quality maintained here speaks volumes about the Founder Chairman Shri. P. K. Das.

He added golden feather to his cap, by starting a huge and prestigious Nehru College of Arts and Science in a new campus at Thirumalayampalayam. There are 2 Engineering Colleges and 3 Management Colleges at Thirumalayampalayam and Kaliapuram, in the outskirts of Coimbatore. At Pampady in Kerala, he started Nehru College of Engineering & Research Centre and later on Nehru College of Pharmacy. At Lakkidi in Palakkad District, he started Jawaharlal College of Engineering and Technology. In 2010, Jawaharlal Aviation Institute was started at Lakkidi. A Super Specialty hospital named as P. K. Das Institute of Medical Sciences has been established at Vaniamkulam. All these have been conceived and nurtured under his close supervision. The efficient functioning and quality maintained in these institutions are testimonies to his diligence, greatness and success.

The might and strength of our beloved Chairman are etched deeply and are eloquently evident from the functioning of these Institutions. He was a simple, humble, noble and straight forward person, with aristocratic behavioral traits. He was a tall, handsome and commanding personality not only physically, but also intellectually and behaviorally. Those who come in contact with him cannot forget his magnificent virtues and ever lasting affection. He has left a great void, which can never be filled. Though he has left us at an untimely moment, still his wishes, aspirations and blessings surround us and energize us.

We see our beloved Chairman through his sons Adv. Dr. P. Krishna Das and Dr. P. Krishna Kumar. Our Chairman was an industrialist par excellence. We shall remember him and his benevolence throughout lives. We offer one thousand salutes to this Bhisnacharya of Higher Education.

Shri. P. K. DAS
