### Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this January 8<sup>th</sup>, 2021, by and between YOI Robotics Laboratory, 43 S/B, opp to Avila convent, Sri Sai Complex, Thadagam road, Venkitapuram, Coimbatore-641025 hereinafter referred to as TAC and Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore - 641 105, Tamil Nadu, India, Group hold ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the Manufacturing and Automation Training (Anywhere in this document Project means Automation training)

WHEREAS TAC and NIET desire to enter into an agreement in which TAC and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS TAC and NIET are desirous to enter into a Memorandum of Understanding between them setting out the working arrangements that each of the partner agree necessary to execute the Project.

## **Purpose**

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between TAC and NIET for NIET Mechatronics Engineering department students.

## **Obligations of the Partners**

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Project by means of the following individual services.

## **Cooperation**

The activities and services for the Project shall include, but not limited to:

a. Services to be rendered by TAC include:

- To supply tools/techniques to the college.
- To organize Value Added Courses/Workshop/Seminar to NIET Mechatronics Engineering department students of the college to enlighten them on the Industrial Automation.
- To organize short term training programs on Industrial Automation Tools & Applications.
- To provide opportunities for the Mechatronics Engineering students of the college to undergo Industrial trainings and Inplant visits.
- To provide Internship for best performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

b. Services to be rendered by NIET include:

- To create the awareness among the students about the **Topic of Artificial Intelligence, Programming, Robotics & Automation and Selection of materials** conducted by the TAC.
- To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the TAC.
- To train the employees of the TAC on latest technologies and techniques.

## **Communication Strategy**

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

## **Liability**

No liability will arise or be assumed between the Partners as a result of this Memorandum.

## **Dispute Resolution**

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

## **Term**

This MoU is valid for 2 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

## **Notice**

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

## **Governing Law**

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

## **Assignment**

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

## **Amendment**

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

## **Prior Memorandum Superseded**

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

## **Understanding**

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

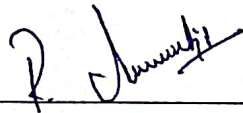

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of **Artificial Intelligence, Programming, Robotics & Automation, Selection of materials** will be provided to the students and faculty members in the form of workshops.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

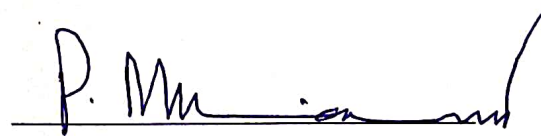

The following Partners support the goals and objectives of the Manufacturing and Automation Training:

**Signatories**

This Agreement shall be signed on behalf of YOI Robotics Laboratory, 43 S/B, opp to Avila convent, Sri Sai Complex, Thadagam road, Venkitapuram, Coimbatore-641025 by Mr. R. ArunBalaji, Chief Excecutive/ Robotics Engineer and on behalf of Nehru Institute of Engineering and Technology by Dr. P.Maniarasan, Principal. This Agreement shall be effective as of the date first written above

 08/01/2021.

### Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this September 05, 2018, by and between V. C. Enterprises No. 60/1, Kondaiyampalayam Road, Vaiyampalayam Post, Near Sree Guru Engineering College, Vaiyampalayam, Coimbatore-641110, Tamil Nadu, India. hereinafter referred to as TAC and Nehru Institute of Engineering and Technology, Nehru Garden, Thirumalayampalayam, Coimbatore – 641 105, Tamil Nadu, India, hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the Manufacturing Submersible pump components.

WHEREAS TAC and NIET desire to enter into an agreement in which TAC and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS TAC and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partner agree necessary to execute the Project.

### **Purpose**

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between TAC and NIET for NIET Electrical & Electronics Engineering and Mechatronics Engineering department students.

### **Obligations of the Partners**

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Project by means of the following individual services.

### **Cooperation**

The activities and services for the Project shall include, but not limited to:

- a. Services to be rendered by TAC include:
  - To supply tools/techniques to the college.
  - To organize Workshop, Seminar. Project and Consultancy work to NIET Electrical and Electronics Engineering department students of the college to enlighten them on the Manufacturing Submersible pump components.
  - To provide opportunities for the Electrical & Electronics Engineering and Mechatronics Engineering students of the college to undergo Industrial trainings, Inplant visits and to take up project works.
  - To provide Internship for best performing Individuals.
  - To identify and help the college in the area of taking up R & D projects.
- b. Services to be rendered by NIET include:
  - To create the awareness among the students about the Manufacturing Submersible pump components conducted by the TAC.
  - To undertake consultancy works from the TAC.
  - To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the TAC.
  - To train the employees of the TAC on latest technologies and techniques.
  - To impart theoretical exposure on software's to the employees of the TAC.

### **Communication Strategy**

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

### **Liability**

No liability will arise or be assumed between the Partners as a result of this Memorandum.

### **Dispute Resolution**

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

### **Term**

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

### **Notice**

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

### **Governing Law**

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

### **Assignment**

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

### **Amendment**

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

### **Prior Memorandum Superseded**

Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

### **Understanding**

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of automation will be provided to the students and faculty members in the form of workshops.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

The following Partners support the goals and objectives of the Workshop, Seminar, Project and Consultancy work to NIET Electrical and Electronics Engineering department and Mechatronics Engineering students.

### Signatories

This Agreement shall be signed on behalf of Manufacturing Submersible pump components by Mr. Chandrasekaran S. CEO and on behalf of Nehru Institute of Engineering and Technology by Dr. P. Maniwaran, Principal. This Agreement shall be effective as of the date first written above

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (MoU) entered into and executed at Coimbatore on 12.07.2019

BETWEEN

Nehru Institute of Engineering and Technology, an educational institution having its Nehru Gardens, Thirumalayampalayam, Coimbatore - 641105 represented by its Principal, Dr.P.Manirasan and Leading Edge, Chennai where high quality Research and Development of Aviation/Unmanned Vehicle is carried out and is located at Chennai represented by Mr.V Balaji, Managing Director, Leading to establish a Training Program at the college premises.

The memorandum of understanding states the terms and conditions under which On-site Programs and Research Activities shall be conducted by Leading Edge, Chennai at Nehru Institute of Engineering and Technology and lists herein the respective responsibilities of Nehru Institute of Engineering and Technology and Leading Edge.

Dr. P. Manirasan

Nehru Institute of Engineering and Technology  
Thirumalayampalayam

### **OBJECTIVES/PURPOSE OF THIS AGREEMENT:**

1. To establish a UAV Research Centre in Nehru Institute of Engineering and Technology, Coimbatore & improve the skill set of engineering students in Research and Development of UAV and help them employable.
2. Through this Training Program activity, students will gain ability to bridge the gap between college education and requirements of Research & Development in UAV & Aviation sector.
3. To facilitate knowledge transfer through Conferences, Workshops, Symposiums, Seminars, Development Programs, Airshows and Project guidance.
4. Through the Training Program facilities we will assist students in Journal Publish, Patent Rights, Research Internships, Aerospace & Aviation courses, research & academic projects.
5. To assist in possible placement activities by introducing and developing contacts with industries and establishing relationship between them on the basis of company terms and conditions.
6. To assist the students in possible EDP/HRD activities.

### **ROLES AND RESPONSIBILITIES OF Leading Edge:**

1. To organize Training programs and short/long term training sessions on UAV and Aviation sector.
2. To organize conferences and workshops once in six months for Aeronautical/Aerospace Engineering students of the college to enlighten them on the Aerospace and Aviation sector.
3. To provide required equipment (Fabrication Material, Electric components, Mechanical toolset...etc.) to the students during training sessions. If any fund is provided by management.
4. To provide assistance for Aeronautical/Aerospace Engineering students of the college to undergo internships, industrial trainings and in-plant visits.
5. To provide possible Placement (optional), Job Internship Assistance in the industries for students those enrolled in the training program conducted by the First party.
6. To involve proficient students in research projects funded by various organizations.
7. To provide guidance for students in their academic project works.

### **ROLES AND RESPONSIBILITIES OF NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY, COIMBATORE:**

1. To create the awareness among the students about UAV training programs through conducting Seminars.
2. Audio/Video systems and classroom facilities for Presentation.
3. Complete disciplinary support for the smooth conduct and completion of the training program.
4. To provide staff coordinator and student volunteers to coordinate the activities in research centre.

  
Dr. P. MANIADASAN  
Principal  
Nehru Institute of Engineering and Technology  
Coimbatore

### TIME FRAME:

This MoU is valid for 5 years from the date of signing and will be renewed for a further period if both the parties agreed to extend the training program.

### JURIDICTION:

In the event of any difference of opinion, the matter should be referred to the Principal, Nehru Institute of Engineering and Technology, whose decision thereon shall be final.

All matters, queries, disputes or differences, whatsoever, arising between the parties touching the construction, meaning, operation or effect of this Memorandum of Understanding or breach thereof shall be settled through arbitration in accordance with the relevant Arbitration Act in force at such time. The Arbitration award shall be binding on both parties.

The Above terms detailed in this Memorandum of Understanding alone shall govern the participation agreed to between Nehru Institute of Engineering and Technology, Coimbatore and Leading Edge.

This Memorandum of Understanding shall come into effect from 12.07.2019

In witness whereof the parties hereto have affixed their signatures to this agreement on this day.
