E-LEARNING RESOURCE

Objective

Knowledge coupled with creativity and innovation is the most powerful tool that our NGI create and contribute to society and mould the students and define higher education's purpose.

Our NIET campus is using e-learning resource software whose main objective is to create and manage digital content. This software can be accessed from mobile phones, tablets as well as PC's. Our Students can use it like virtual class, where they can find OBE, read and download lecture notes, question bank and previous year question papers and reference books. Using this software student can see placement details, alumni details and watch final year project videos, lecture videos, NPTEL videos, can read books from National Digital Library and also view papers of science Direct ELSEVIER.

All our engineering students from semester I to semester VIII and faculties are using this software. This software is implemented in short time with the guidance of our beloved principal who formed the team and allotted the responsibilities to the coordinators. It is teamwork of NIET.

Following are the advantages

Workforce Productivity:

This software can help students to view their academic information very quickly anywhere in the globe relevant to their subjects. There by it increases staffs' ability to perform their jobs faster, more accurately, and with confidence that they have the right information. It also helps to improve the content delivery to the students.

Time:

With this software, our college can make more information available to students on a "pull" basis (ie:students can link to relevant information at a time which suits them) rather than being deluged indiscriminately by emails.

Cost-Effective:

Students can view information and data via web-browser and android app rather than maintaining physical documents such as procedure manuals, internal phone list and requisition forms.

Promote Common Corporate Culture:

Every student is viewing the same information.

Enhance Collaboration:

With information easily accessible by all authorized users, teamwork is enabled.

The main content area lists various engineering departments: Aeronautical Engineering, Computer Science Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Mechatronics Engineering, and Science & Humanities. It also highlights IBA ACCREDITED PROGRAMMES and JTER SCIENCE & ENGINEERING AND MECHANICAL ENGINEERING DEPARTMENTS. Three portraits of key personnel are shown: Chairman & Managing Trustee (Dr. P. Admission for the Institution is made as per the guidelines given by Tamilnadu Engineering Admissions, Anna University, and Chennai.

For an Academic year the admission of the students is carried out by following the norms and prescribed rules framed by the Anna University. Nehru Institute of Engineering and Technology is functioning with a total intake of 570 students per year.

Every year sixty five percent (65%) of seats will be admitted through Anna University Single window system which is also known as government quota. About 370 students will choose this institution by the single window system.

The management quota will be filled up by the twenty five percent (25%) seats by which the students from various parts of the country would join the institution.

The Eligibility criteria for all candidates who wish to choose the Engineering courses either by government quota or management quota are as follows:

Dr. P. MANIARASAN

Basic eligibility or qualifying examination --- Higher secondary or +2 examination pass

- OPEN CATEGORY --- Minimum of 50% score in Physics, Chemistry and Maths.
- BACKWARD CLASS (BC) --- Minimum of 45% score in Physics, Chemistry and Maths.
- MOST BACKWARD CLASS (MBC) and Denotified Communities (DNTs) --- Minimum of 40% score in Physics, Chemistry and Maths.
- SCHEDULED CASTE/SCHEDULED TRIBES (SC/ST) --- Minimum of 40% score in Physics, Chemistry and Maths.

The management quota students will appear for **COMMON ENTRANCE TEST** conducted by Association of Management of Coimbatore --- Anna University affiliated Self financing Engineering Colleges.

Scholarship

The student's scholarship will be provided as per norms by the Government of Tamilnadu.

Nehru Group of Institutions Management provides scholarship through NEHRU-VIGYAN scholarship scheme and Scholarship for students joining the Institution through SPORTS quota.

Role and Responsibilities of Anti Ragging Committee:

As per the guidelines of UGC, AICTE and Anna University, an Anti-Ragging Committee has been constituted to handle issues related to ragging.

- Posters explaining anti-ragging policy of NIET are displayed around the campus, clearly stating the activities which are considered as ragging and punishments prescribed by the law for such activities. In addition, the anti-ragging policies and related details are also made available in the College Website, Student Hand Book and College Policy Book
- Affidavits, as per the direction from the Government and Anti-ragging undertaking are collected from all the students and their parents
- At the commencement of the academic year, through formal circular, students are instructed not to indulge in ragging and are explained about the anti-ragging policies and procedures
- Since the institution has implemented very strict policies and procedures to prevent ragging, so far, no complaints about ragging has been received either in the campus or in hostels
- CCTV cameras are also installed at various locations in the college as per the Government regulations as a deterrent for ragging and to monitor the activities
