OUR VISION

Our Vision is to mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader Pandit Jawaharlal Nehru.

OUR MISSION

- To build a strong centre of learning and research in engineering and technology.
- To facilitate the youth to learn and imbibe discipline, culture and spirituality.
- To produce quality engineers, dedicated scientists and leaders.
- To encourage entrepreneurship.
- To face the challenging needs of the global industries.

Memorandum of Understanding

This Memorandum of Understanding entered into on 06-11-2015 at Coimbatore between Departments of Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Master of Computer Applications, Master of Business Administration of **Nehru Institute of Engineering and Technology**, an Institution, imparting and offering educational courses located at Nehru Gardens, T.M.Palayam, Coimbatore-641105, Tamil Nadu, represented by **Dr. P. Maniiasaran**, Principal of the college which expression shall unless repugnant to the context means and include its successors and assigns of the ONE PART. Wherever the word College comes in this MOU it implies Nehru Institute of Engineering Technology

Signature
Dr. P. MANIARASAN
 Principal
 Nehru Institute of Engg. & Technology
 T.M.Palayam, Coimbatore - 641 105

Nehru Institute of Engineering and Technology, Approved by AICTE and Affiliated to Anna University, established in the year 2006, under the able leadership of our founder chairman, Late P.K. Das is now in its Ninth successful year and the institute is marching ahead towards achieving the Vision and Mission of our Founder chairman under the guidance of Our Managing Trustee Adv. Dr. P. Krishna Das, and our beloved CEO and Secretary Dr. P. Krishnakumar.

In its Ninth year of establishment, NIET has extended its wings and included in itself 6 undergraduate programmes and 3 Master programmes in Engineering along with PG programmes in MBA and MCA with a total strength of students exceeding 2000 in number.

- Under Graduate B.E./B.Tech. Degree Programmes in:

i) Aeronautical Engineering, ii) Mechanical Engineering iii) Mechatronics Engineering iv) Electronics and Communication Engineering v) Electrical & Electronics Engineering vi) Computer Science & Engineering

- Post Graduate Engineering Degree Programmes(M.E.) in:

i) Aeronautical Engineering ii) Communication Systems iii) Embedded System Technologies

- Other professional courses:

i) Master of Business Administration (MBA).
ii) Master of Computer Applications (MCA).

NIET is well equipped with excellent infrastructure, dedicated team of eminent faculty members and laboratories with modern facilities. NIET has become one of the pioneer institutions in engineering in the region. NIET is marching ahead in its road to success by showing continuous improvement in producing good academic results. The Institute's main agenda is to achieve excellence in the field of technical education in order to satisfy the customers and society with the best talented technocrats from this temple of learning. The college has already carved a niche amongst the public, AICTE, DOTE and the Anna University.

PantechProEdPvt Ltd is an acknowledged Institution in this part of the country. PantechProEdPvt Ltd is currently focusing on Technical Trainings and Workshops.

PantechProEdPvt Ltd is represented herein by Mr. Avudaiyappan, Manager, Coimbatore (hereinafter referred to as "PantechProEdPvt Ltd" which expression shall unless repugnant to the context mean and include its successors and assigns of the OTHER PART.

WHEREAS

The parties have had preliminary discussions in this matter and have ascertained areas of broad consensus. The parties now, have therefore, agreed to enter in writing these areas of consensus, under a Memorandum of Understanding.

RESPONSIBILITIES OF INSTITUTION

Nehru Institute of Engineering and Technology shall provide entire infrastructure facilities including classrooms, laboratories, equipments, analytical tools and aids, library and qualified staff.

Nehru Institute of Engineering and Technology shall arrange necessary equipments for practical training to the students. The hire charges on equipments for the training will be borne by Nehru Institute of Engineering and Technology.

The internal evaluation as a part of the examination work like classroom tests, assignments, seminars, etc. will be done by the concerned Departments of Nehru Institute of Engineering and Technology periodically.

The expenses in connection with regular lectures, practical, remuneration to teaching faculty and supporting staff, internal evaluation will be borne by Nehru Institute of Engineering and Technology

RESPONSIBILITIES OF THE INDUSTRY

To provide expert lecture sessions to the partnering department one in two months/ 3 lectures per semester.

To allow final year projects for 8 students / 2 batches.

To permit one faculty visit to the manufacturing unit or industry.

To depute workers/ technicians for training in college.

To conduct campus interview for performing students & for their placements

MISCELLANEOUS

The collaborative ventures also include the scope for extending learning facility at the chosen centers of PantechProEdPvtLtd located outside Tamil Nadu, without causing any hardship to the students of the Nehru Institute of Engineering and Technology.

PantechProEdPvt Ltd shall also in association with Nehru Institute of Engineering and Technology, carry out Research Activities to the mutual benefit of both. Research Activities shall be of a type, may it assisting the students in preparation / innovation of any new module or assist Nehru Institute of Engineering and Technology in any new area of Research, provided that lies in scope of PantechProEdPvt Ltd.

All the terms and conditions of this MOU are subject to the approval of Commissioner of Technical Education, Chennai and the provisions of the Rules and Regulations of the Govt. of Tamil Nadu.

In witness whereof the parties have signed this Memorandum of Understanding of the day, month and year first herein above written.

AND

Vaanam Technologies Private Limited having its office at, 72, Lalbahadur Colony, Peelamedu, Coimbatore, TN- 641 004 on behalf of itself and acting through **Mr. Muthukumar Valavandan**, Technical Director Party of the Second part;

P. Maniwaran
Dr. P. MANIWARAN
Principal
Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105

Now both the parties have agreed and consented to the following terms and deeds in pursuance of a common intent to promote and develop interactions in the following areas.

The MoU provides for collaboration between **Nehru Institute of Engineering and Technology and Vaanam Technologies** in various ways.

NIET'S RESPONSIBILITIES:

1. Will provide its expertise for **research and development** work required by assigning faculty members from the Department of Information Technology who will be responsible in interaction and correspondence with you towards successful achievement of the task arises as and when required.
2. Will permit you to utilize its **infrastructure** wherever applicable/necessary.
3. Will provide their expertise in finding solutions for various problems faced by industry during **development** and implementation.
4. Will permit to utilize their **library** facilities.
5. Agrees to take up **consultancy** from you and complete the task within the stipulated time.

VAANAM TECHNOLOGIES RESPONSIBILITIES

1. **Internship for Nehru Institute of Engineering and Technology** (Departments of Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Master of Computer Applications) - Vaanam Technologies is pleased to take the students for internship based on student's performance and terms. On successful completion of the Internship students evaluation will happen based on the manpower requirement of the company, the affordable and the suitable candidates will be absorbed as trainees. On successful completion of the probationary period if their performance meets management expectation they will confirmed as Vaanam Technologies permanent employee.

2. **External Projects Execution**- Projects can be taken in cooperation with Vaanam Technologies and NIET, Vaanam Technologies Employee will guide the project and accountable till the successful completion of the project. Project can be occurring either in College campus or Vaanam Technologies.

3. **PhD Guidance:** Vaanam Technologies will guide and give support to the Faculties and Students with our core IT domain based on the requirement.

4. **FDP:** Vaanam Technologies, will afford FDP seminar/ Workshop to the CSE & MCA faculties with the recent trends in IT domain.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the Project shall include, but not limited to:

a. Services to be rendered by Technical Assistance Center (TAC) include:

- To supply tools/techniques to the college.
- To organize Industrial Training, Value Added Courses/Workshop/Seminar to NIET Electrical and Electronics ,Mechatronics, Electronics and Communication and Mechanical Engineering department students of the college to enlighten them on the Industrial Automation.
- To organize short term training programs on Industrial Automation Tools & Applications.
- To provide opportunities for the Electrical and Electronics ,Mechatronics, Electronics and Communication and Mechanical,Engineering students of the college to undergo industrial trainings and inplant visits
- To provide Internship for best performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

Dr. P. MANI ARASAN
 Principal
 Nehru Institute of Engg. & Technology
 T.M.Palayam, Coimbatore - 641 105

b. Services to be rendered by NIET include:

- To create the awareness among the students about the **Topic manufacturers and Servo Stabilizers, Isolation Transformers, ups assembling** conducted by the TAC.
- To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the TAC.
- To train the employees of the TAC on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 2 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of manufacturers of submersible pumps control board and motor starter will be provided to the students and faculty members in the form of workshops.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

The following Partners support the goals and objectives of the Automation Training:

Signatories

This Agreement shall be signed on behalf of Able Electronics Services Kalappanaickenpalayam Somiyampalayam Coimbatore -641108 by Mr.P Manoharan Managing Partner and on behalf of Nehru Institute of Engineering and Technology by Dr. P.Maniarasan, Principal. Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this March 01st, 2019, by and between ADHAVAN ALLOYS, S.F No 711/2B, Kallipalayam, Chikkarampalayam Village, Karamadai, Coimbatore (India) – 641 104 hereinafter referred to as TAC and Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore – 641 105, Tamil Nadu, India, Group hold ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the Manufacturing and Automation Training (Anywhere in this document Project means Foundry training)

WHEREAS TAC and NIET desire to enter into an agreement in which TAC and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS TAC and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partner agree necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between TAC and NIET for NIET Mechatronics Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Aeronautical Engineering, department students.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the Project shall include, but not limited to:

Services to be rendered by TAC include:

- To supply tools/techniques to the college.
- To organize Value Added Courses/Workshop/Seminar to NIET Mechatronics Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Aeronautical Engineering department students of the college to enlighten them on the Foundry Technology.
- To organize short term training programs on Casting, Pattern Designing, Molding Technology.
- To provide opportunities for the Mechatronics Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Aeronautical Engineering students of the college to undergo industrial trainings and Inplant visits.
- To provide Internship for best performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

Services to be rendered by NIET include:

- To create the awareness among the students about the **Topic Foundry Technology** conducted by the TAC.
- To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the TAC.
- To train the employees of the TAC on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dr. P. MANI ARASAN
Principal

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 2 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of Casting, Pattern Designing, Molding Technology, Fettingling process will be provided to the students and faculty members in the form of workshops.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

Dr. P. MANIARASAN
Principal

The following Partners support the goals and objectives of the Foundry Technology Training:

Signatories

This Agreement shall be signed on behalf of ADHAVAN ALLOYS, S.F No 711/2B, Kallipalayam, Chikkarampalayam Village, Karamadai, Coimbatore (India) - 641 104 by Mr.Saravanashankar, Managing Partner and on behalf of Nehru Institute of Engineering and Technology by Dr.P.Maniarasan, Principal. Memorandum of Understanding for Academic Cooperation
Between
Centre of Excellence in Manufacturing Sciences,
Coimbatore Institute of Technology, Coimbatore,
and
Nehru Institute of Engineering and Technology, Coimbatore

This Memorandum of Understanding is drawn up and signed by Centre of Excellence, Coimbatore Institute of Technology, Coimbatore, (hereafter COECH) and Nehru Institute of Engineering and Technology, Coimbatore, India (hereafter NIET). COECH and NIET agree to engage in academic cooperation in areas of mutual interest.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

The projects that might fall within this programme of academic cooperation will, where mutual benefits can be identified, include the following.

1. Collaborative teaching including joint training and supervision of Bachelors, Masters and Ph.D. degree students.
2. Collaborative research.
3. Exchange of information on research and education programmes.
4. Exchange visits by faculty, researchers and students.
5. Joint proposals and engagement in research and training programmes sponsored by funding agencies.
6. Workshop, Internship.

With respect to the above, independent and detailed agreements will be drawn up and agreed by COECIT and NIET.

This Memorandum of Understanding is to be valid until March 2020 from the date when it is signed. In the event of either party wishing to change or terminate the agreement, notice in writing must be given at least six months in advance of the proposed date of change of termination.

The principal of colleges' academic contacts for this cooperation are Dr. P. Maniwaran, Sr. Lecturer, Rajesh Ranganathan for COE, CIT.

For the purpose of this document the legal representatives of the aforesaid colleges are Dr. P. Maniwaran of NIET and Dr. Rajesh Ranganathan for COE, CIT.

Signed

Dr. P. Maniwaran.

Nehru Institute of Engineering & Technology,

#Nehru Gardens, Nehru College Road, T.M.Palayam, Coimbatore, Tamil Nadu 641105

and

Coimbatore Cad Solutions Pvt Ltd,

1A/4, Ganesh Layout Extension, Nallampalayam, Ganapathy Post, Coimbatore 641006

Coimbatore Cad Solutions Pvt Ltd is an authorized distributor and support provider for DS SolidWorks Inc, Massachusetts. Coimbatore Cad Solutions Pvt Ltd has submitted a proposal to Nehru Educational and Charitable Trust for Supply of SolidWorks Campus Plus bundle. Product bundle, enhancements and pricing terms are provided in the proposal submitted as on 23rd July 2018. On procurement of the SolidWorks campus plus bundle for goodwill gesture, Coimbatore Cad Solutions Pvt Ltd has proposed Nehru Institute of Engineering & Technology to provide training for upto 240 students without any additional charges. The training will be coordinated as per the following terms

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

1. Nehru Institute of Engineering & Technology will provide Computer Lab with relevant Hardware and LCD projector facilities for the conduct of the Practical and Theory sessions
2. Coimbatore Cad Solutions Pvt Ltd will depute SolidWorks Application Engineers and conduct classes.
3. 240 students will be split into 4 batches. Training will be conducted for 6 days full time per batch. Training schedule will be provided within a month from date of procurement of Solidworks software.
4. Students belonging to Aeronautical, Mechanical, Automobile and Mechatronics departments can avail the training program.
5. Students will receive
 - ✓ Effective Training Program for 48 Hours
 - ✓ Student Access including license which they can install in their laptop and utilize for certification preparations or for their Non Commercial Academic projects
 - ✓ Access to SolidWorks CSWA certification vouchers. Students can take online exams for **Global Certification** within campus. Successful students will be included in the Certified SolidWorks directory, used by companies.
6. Coimbatore Cad Solutions Pvt Ltd will provide training services as per the above points for up to 240 students without any fee. Nehru Institute of Engineering & Technology may opt to collect fee from students for institutional overheads.
7. On successful completion of the program, Nehru Institute of Engineering & Technology may extend Coimbatore Cad Solutions Pvt Ltd's service term with execution of a new deed.

This Agreement shall come into effect from 4th August 2018 and valid till 4th August 2019

MISCELLANEOUS

1. INSTITUTE&ARK hereby agree that ARK will commence the respective sessions at the INSTITUTE's premises only on mutually agreed schedule by delivering sessions. Further, if required any additional sessions will be provided on the terms & conditions as may be mutually agreed by the parties.
2. Parties hereby agree that all the subcontract executed between the parties for the carried courses, shall be regulated in the terms as mentioned in the Master Service Agreement herein.
3. Parties hereby agree that notwithstanding anything in the agreement herein; ARK faculty is permitted to use the Institute transport, if any at institute's own expense.
4. It is hereby clarified that ARK faculty shall be deployed in the institute only to render the creative education programme as may be envisaged herein above and shall not be assigned with any internal duties of the institute, without the prior written consent of ARK.
5. Institute hereby assure that as may be directed by ARK, ARK faculty will attend the workshops / training designed by ARK, subject to the same shall not act as hindrance in the ongoing institute schedule of ARK.
6. Parties hereby agree that the effective date of this agreement shall be date on which the agreement is signed and the agreement will be valid till 3 years from date of agreement or any other due date as mentioned in the Subcontract agreement for the respective program and the same may be renewed for further period on mutual agreed terms.
7. Parties hereby agree that ARK is permitted to display their status of being a service provider at INSTITUTE's reception/admission desks, notice boards and other places as agreed by the INSTITUTE.

8. Parties hereby further agree that during the term of this agreement or any other sub contract agreement and thereafter; Institute shall not in any manner whatsoever, solicit, make arrangement, associate, appoint the instructors provided by ARK as its regular faculty, consultant etc.
9. Either party may terminate this arrangement by giving a prior 90 days' notice in writing to the other party.
10. Parties hereby further agree that all intellectual property shall only belong to ARK only either created by students during the sessions or otherwise.
11. Institute hereby authorizes ARK to use the Institute's logo, name, URL, curriculum pictures etc. on the social networking websites, or to take any measures to promote the educational programme.
12. ARK shall not be held liable to the Institute for any loss, delay or damage occasioned by act of god, or Govt. Policies, fires, floods, explosions, epidemics, strikes, Amendment in Institute schedule, timings etc. which prevents performance of ARK under this MOU and the same shall not restricts the rights of ARK to collect the professional fee from the Institute.
13. Each & Every subcontract agreement executed between the parties shall be deemed to be part & parcel of this agreement and shall be regulated in accordance to the terms as mentioned hereunder.
14. Institute expressly recognizes and accepts that the ARK be absolutely entitled to have full power and authority to assign or transfer in any manner the obligations, in whole or in part, and in such manner and on such terms as ARK may decide, to any third party of the ARK's choice, with written intimation to the Institute. Any such action and any such assignment or transfer shall bind the Institute to accept such third party as service provider exclusively or as a joint service provider with ARK to continue to exercise all powers hereunder. Institute acknowledges and undertakes to pay to the third parties the professional fee in the event of transfer of the portfolio to a third party. And similarly, the Third party shall ensure & undertakes to adhere to all obligations and duties as may be defined hereunder in place of ARK

SUB CONTRACT AGREEMENT - 1

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
Coimbatore - 641 105

This Sub Contract Agreement is executed at New Delhion 28th July 2017

BETWEEN

Nehru Institute of Engineering and Technology having its campus office at Nehru Gardens, T.M Palayam, Coimbatore, Tamil Nadu 641105 and the Institute at same place (Hereinafter referred as 'Institute', which expression shall, unless it is repugnant to the meaning or context hereof, is deemed to mean and include its successors in business and assigns)

AND

M/s. ARK Infosolutions Private Limited, a Private Limited Company duly incorporated under the Companies Act, 1956 having its Registered Office situated at F-28, Okhla Industrial Area, Phase-1, New Delhi-110020 (Hereinafter referred to as 'the ARK', which expression shall, unless it is repugnant to the meaning or context thereof, be deemed to mean and include its successors in business and assigns)

WHEREAS;

The above agreement is executed in continuation to the Master Service Agreement executed between the said parties. This subcontract agreement defines the Program Education course to be rendered, the terms and conditions and the consideration in lieu of the said educational course.

TERMS ARE MENTIONED HEREUNDER: -

- NAME OF PROGRAM/COURSE - MindBox Center of Excellence (CoE) for Mechanical Engineering
- VENUE - Institute Campus
- DEPARTMENT - Mechanical Engineering

ARK	Nehru Institute of Engineering and Technology, Coimbatore
-----	---

MINIMUM NO OF STUDENT

-Program is compulsory for 2nd and 3rd Year students of Mechanical and Aeronautical Engineering

DURATION OF PROGRAMME

- MindBox will run this program through semester as per pre-defined schedule and below duration. Institute will allocate the appropriate time/schedule for skill development program during semesters.

Mechanical Engineering				
Semester	Type of Course	Name of Skill Development Program	Minimum No. of Students	Duration in Hours
3	Compulsory	Basic Course on Creo	90	40
4	Compulsory	Course on ANSYS FEA	90	40
5	Compulsory	Advanced Course on Creo	90	40
6	Compulsory	Course on ANSYS CFD	90	40
6	Optional*	Mini Project	TBD	TBD
8	Optional*	Major Project	TBD	TBD

Aeronautical Engineering				
Semester	Type of Course	Name of Skill Development Program	Minimum No. of Students	Duration in Hours
3	Compulsory	Basic Course on CATIA	90	40
4	Compulsory	Course on ANSYS FEA	90	40
5	Compulsory	Advanced Course on CATIA	90	40
6	Compulsory	Course on ANSYS CFD	90	40
6	Optional*	Mini Project	TBD	TBD
8	Optional*	Major Project	TBD	TBD

* Optional Courses are provided over and above the compulsory courses. Interested students may take it as additional course.

CERTIFICATION

- MindBox certification will be provided for each registered student on successful completion on successful completion of the course

SOFTWARE LICENSING

-Required Software Licenses for e.g. Creo/ANSYS/CATIA for training during duration of training will be provided by INSTITUTE

Deliverables from ARK

1. Experienced and qualified faculty will be delivering this Training Online
2. MindBox Course completion certificate for every student on successful completion of training.

ARK	Nehru Institute of Engineering and Technology, Coimbatore
------------	--

Dr. P. MANI ARASAN
 Principal
 Nehru Institute of Engg. & Technology
 T.M. Palayam, Coimbatore - 641 105

Deliverables from INSTITUTE

1. INSTITUTE shall provide required license software for training for e.g. Creo, ANSYS, CATIA
2. INSTITUTE shall provide lab with LAN connectivity and Projector along with Computer (equal to number of students enrolled for class) installed with required licensed software.
3. INSTITUTE will provide classroom required for classes or discussions.
4. INSTITUTE will provide sitting place with computer with internet connection for ARK expert during visit for expert sessions.

CONSIDERATION

1. INSTITUTE will issue Purchase Order to ARK for training programme "MindBox Center of Excellence (CoE) for Mechanical and Aeronautical Engineering"
2. INSTITUTE will pay ARK professional fees per student as a consideration for this programme as specified in below table.

Semester	Type of Course	Name of Skill Development Program	Rate Per student	GST@ 18%	Total per student
3	Compulsory	Course 3	2119	381	2500
4	Compulsory	Course 4	2119	381	2500
5	Compulsory	Course 5	2119	381	2500
6	Compulsory	Course 6	2119	381	2500
7	Optional	Mini Project	To be Decided*		
8	Optional	Major Project	To be Decided*		

*Fees for Optional courses will be decided based discussions and on mutual agreement

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (MoU) entered into and executed at Coimbatore on
.....(Date). 06/04/2018

BETWEEN

Nehru Institute of Engineering and Technology, an educational institution having its campus at Nehru Garden, Tirumalayampalayam, Coimbatore 641 105 represented by its Principal, Dr. P. Maniwaran and Jet Aerospace Aviation Research Centre where high quality Research and Development of Aviation/Unmanned Vehicle is carried out and is located Near KTC, Kanjikode Industrial Area West, Palakkad represented by Mr. J. Balakannan, Managing Director, Jet Aerospace Aviation Research Centre to establish a UAV Research Centre at the college premises.

P. Maniwaran
Dr. P. MANIWARAN
Principal

Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore 105

The memorandum of understanding states the terms and conditions under which On-site Programs and Research Activities shall be conducted by Jet Aerospace Aviation Research Centre, Palakkad at Nehru Institute of Engineering and Technology, Coimbatore for the benefit of students pursuing engineering in Aeronautical, Electrical and Electronics Communication, Mechatronics Branches and lists herein the respective responsibilities of Nehru Institute of Engineering and Technology and Jet Aerospace Aviation Research Centre.

OBJECTIVES/PURPOSE OF THIS AGREEMENT:

1. To establish a UAV Research Centre in Nehru Institute of Engineering and Technology Coimbatore & improve the skill set of engineering students in Research and Development of UAV and help them employable.
2. Through this Research Centre activity, students will gain ability to bridge the gap between college education and requirements of Research & Development in UAV & Aviation sector.
3. To facilitate knowledge transfer through Conferences, Workshops, Symposiums, Seminars, Development Programs, Airshows and Project guidance.
4. Through the Research Centre facilities we will assist students in Journal Publish, Patent Rights, Research Internships, Aerospace & Aviation courses, research & academic projects.
5. To assist in possible placement activities by introducing and developing contacts with industries and establishing relationship between them on the basis of company terms and conditions.
6. To assist the students in possible EDP/HRD activities.

ROLES AND RESPONSIBILITIES OF JET AEROSPACE:

1. To organize Research & Development programs and short/long term training sessions on UAV and Aviation sector.
2. To organize conferences and workshops once in six months for Aeronautical/Aerospace Engineering students of the college to enlighten them on the Aerospace and Aviation sector.
3. To provide required equipment (Fabrication Material, Electric components, Mechanical toolset, etc.) to the students during training sessions. If any fund is provided by management then the Research Centre can be developed further.
4. To provide assistance for Aeronautical/Aerospace Engineering students of the college to undergo internships, industrial trainings and in-plant visits.
5. To provide possible Placement (optional), Job Internship Assistance in the industries for students those enrolled in the training program conducted by the First party.
6. To involve proficient students in research projects funded by various organizations.
7. To provide guidance for students in their academic project works.

ROLES AND RESPONSIBILITIES OF NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY:

1. To create the awareness among the students about UAV Research & Development and training programs through conducting Seminars.
2. To provide Research lab, Computer Lab with relevant Hardware facilities for conducting training sessions.
3. Audio/Video systems and classroom facilities for Presentation.
4. Complete disciplinary support for the smooth conduct and completion of the training program.
5. To provide accommodations to staffs of our organization according to their standard during their visit to campus for research and training purposes.
6. To provide staff coordinator and student volunteers to coordinate the activities in research centre.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

TIME FRAME:

This MoU is valid for 5 years from the date of signing and will be renewed for a further period if both the parties agreed to extend the training program.

JURIDICTION:

In the event of any difference of opinion, the matter should be referred to the Principal, Nehru Institute of Engineering and Technology whose decision thereon shall be final.

All matters, queries, disputes or differences, whatsoever, arising between the parties touching the construction, meaning, operation or effect of this Memorandum of Understanding or breach thereof shall be settled through arbitration in accordance with the relevant Arbitration Act in force at such time. The Arbitration award shall be binding on both parties.

The Above terms detailed in this Memorandum of Understanding alone shall govern the participation agreed to between **Nehru Institute of Engineering and Technology**, Coimbatore and Jet Aerospace.

This Memorandum of Understanding shall come into effect from 06.04.2018.

In witness whereof the parties hereto have affixed their signatures to this agreement on this day.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

I. PURPOSE and SCOPE

The purpose of this MoU is to clearly identify the roles and responsibilities of each party as they relate to the implementation of the Avatar Academy – Networking & Security training at Nehru Institute of Engineering and Technology. The Avatar Academy – Networking & Security is intended to provide training to Nehru Institute of Engineering and Technology students those who are willing to take this programme through real-time networking Cisco devices. To support this goal, Nehru Institute of Engineering and Technology and Avatar Academy –Networking & Security will work together to conduct training program that meets students technical knowledge in networking and security domain.

In particular, this MoU is intended to establish clear guidelines regarding the training program that will be conducted at the premises of the *Nehru Institute of Engineering and Technology*.

II. BACKGROUND

The Avatar Academy –Networking & Security will provide training for the students thereby creating placement opportunities by enhancing their ability to meet the MNC Company's requirements in the networking and security technologies.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
Chennai - 641 105

III. NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY RESPONSIBILITIES UNDER THIS MoU

Nehru Institute of Engineering and Technology shall undertake the following activities:

- Provide students for training at regular time.
- Provide classrooms and lab session as required.
- Allow Cisco Incubator lab to be installed in the Dept. of CSE, Computer Centre lab.
- Responsibility taken care by Dept. of CSE of Cisco incubator lab equipped with devices.

IV. AVATAR ACADEMY RESPONSIBILITIES UNDER THIS MoU

Avatar Academy – Networking & Security shall undertake the following activities:

- Provide networking & Security training Course: Cisco 'CCNA-R&S' in 84 hours.
- Provide equipments required to complete the project (Stock list details enclosed).
- Be in attendance for any events coordinated through this partnership.
- Verify hours completed by each Nehru Institute of Engineering and Technology participants.
- Complete an evaluation of each Nehru Institute of Engineering and Technology participants.
- Course completion certificate provide to participants.
- We will provide the Seminar and Workshop in these domains in your college premises.

VI. FUNDING

This MoU include the exchange of funds between Nehru Institute of Engineering and Technology to Avatar Academy – Networking & Security.

From the total collected training fee amounts, 30% of the amount provided to the Nehru Institute of Engineering and Technology and 70% of the amount provided to the Avatar Academy – Networking & Security.

Training Fee: Rs. 2,500/- (Per Student)

VII. RECORD RETENTION

All records must be retained for one (1) year following this event. This requirement applies to all information regarding this Program. Supporting documentation may be kept at the Avatar Academy – Networking & Security and must be available for review for one (1) year from the date of MoU.

MEMORANDUM OF UNDERSTANDING

NEHRU INSTITUTE OF ENGINEERING & TECHNOLOGY
AND
PROLIFIC SYSTEMS AND TECHNOLOGIES PVT. LTD.,

THIS MEMORANDUM OF UNDERSTANDING (MOU) made and executed
On this 30th day of January 2017 between NEHRU INSTITUTE OF ENGINEERING &
TECHNOLOGY an educational institution, situated at #451-D, Palakkad Road,
Kuniamuthur, Coimbatore 641008. and represented by Dr. MANIARASAN, Principal
hereinafter Called NIET (Which expression shall include its successors and assigns) of
the first part;

AND

PROLIFIC SYSTEMS AND TECHNOLOGIES PVT. LTD., a company registered and having
its Branch office at No.3/84, New Scheme Road, P. N Palayam, Coimbatore 641037, and
represented by, Mr. R. Anantharaman, Associate Director, hereinafter referred to as
Prolific, which term shall mean and include, unless repugnant to the context and
meaning thereof, its Successors, legal representatives and assigns, of the other part;

P. Mani
Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

P. Mani
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Whereas, NIET is in the field of education, imparting knowledge to students aspiring to be Engineers and Technologists.

Whereas, PROLIFIC is one of the reputed turnkey automation solutions provider and Asia's Number One Vocational training company having fully equipped facilities at 28 branches all over India.

And whereas, both NIET & PROLIFIC have agreed to form a 'STRATEGIC ALLIANCE' for providing industrial inputs to the Engineering students for mutual benefit.

And whereas, on the faith and strength of such representation and warranty, both NIET and PROLIFIC have agreed to enter into this Memorandum of Understanding as per the mutually agreed clauses as agreed below:

1. Provision of Supplies and Services:

NIET shall provide Prolific the facilities and qualified personnel to impart training as mutually agreed to and each personnel shall perform to the best of his/her ability during the term of the contract; likewise PROLIFIC shall make available their facilities for special projects and also for training of NIET personnel. In addition, PROLIFIC shall depute their experts for necessary training at NIET and depending upon nature and degree / level of specialization, PROLIFIC shall train faculty and students of NIET on selected topics. All decisions under this clause will be taken between the parties hereto only after prior consultation. Training will be conducted at mutually convenient dates.

NIET shall provide infrastructure as required by the company for conducting training, lectures etc.

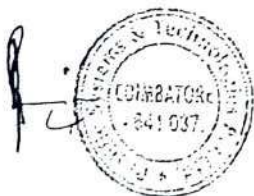

PROLIFIC shall conduct training on core areas such as PLC's, SCADA, DCS, Embedded systems, Drives, Field instrumentation, Robotics, PCB Designing, Matlab, ARM, PIC and Advanced Mechanical Systems.

PROLIFIC shall deliver special lectures on advanced topics.

2. Scope of Activities:

Details of activities are included in annexure-I.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

PRINCIPAL
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

3. Non-Exclusive Relationship:

This agreement is non-exclusive in nature and both NIET and PROLIFIC shall retain their right to perform their obligations with any other party during the term of this MOU.

4. Independent Contractors:

PROLIFIC and NIET hereby agree that each is an independent contractor and this MOU doesn't mean that one is an agent of other or of each other, and neither party shall be entitled to bind, by its acts, omissions or otherwise, the other party.

5. Assignments:

No part of this MOU or of any obligations created herein, may be assigned or transferred by any one of the parties whether by operation of law or otherwise, to any other person without the prior permission of the other. Any such assignment or transfer shall be void and be without force and effect and would not be binding on the other.

6. Entire Agreement:

This instrument sets forth the entire agreement between the parties hereto and either party shall deem all other representations, irrelevant and unenforceable. All modifications to this agreement shall be in writing and only if mutually agreed to.

7. Term of MOU and Notice of Termination:

This MOU is open ended in nature; but can be terminated with three month's notice on either side given to other party in writing at their address mentioned at the top/any other address to be notified in future. Such notice shall be deemed to be properly given if sent by registered post or by courier to the other persons authorized to sign this MOU.

8. Authorized Representatives:

Both parties hereto declare that their duly authorized respective representatives shall execute this agreement.

IN WITNESS WHEREOF the parties hereto have affixed their respective hands to this agreement on the day, month and year above written.

Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this August 28, 2017, by and between Technopac Automation & Controls of 14/1, Athipalayam Road, Chinnavedampatty, Coimbatore (India) - 641035 hereinafter referred to as TAC and Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore - 641 105, Tamil Nadu, India, hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the Automation Training (Anywhere in this document Project means Automation training).

WHEREAS TAC and NIET desire to enter into an agreement in which TAC and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS TAC and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partner agree necessary to execute the Project;

Purpose
The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between TAC and NIET for NIET Mechatronics, Mechanical, Electronics and Communication and Electrical and Electronics Engineering department students.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore - 641 105

The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 2 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

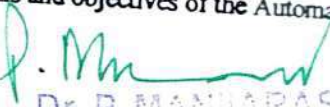

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of automation will be provided to the students and faculty members in the form of workshops.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

The following Partners support the goals and objectives of the Automation Training:

Signatories

Dr. P. MANI ARASAN
Principal

Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore - 641 105

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the Project shall include, but not limited to:

- a. Services to be rendered by TAC include:
 - To supply tools/techniques to the college.
 - To organize Value Added Courses/Workshop/Seminar to NIET Mechatronics, Mechanical, Electronics and Communication and Electrical and Electronics Engineering department students of the college to enlighten them on the Industrial Automation.
 - To organize short term training programs on Industrial Automation Tools and Embedded Systems & Applications.
 - To provide opportunities for the Mechatronics, Mechanical, Electronics and Communication and Electrical and Electronics Engineering students of the college to undergo industrial trainings, inplant visits and to take up project works.
 - To provide Internship for best performing Individuals.
 - To identify and help the college in the area of taking up R & D projects.
- b. Services to be rendered by NIET include:
 - To create the awareness among the students about the **Topic Automation Control/Embedded Systems Applications** conducted by the TAC.
 - To undertake consultancy works from the TAC.
 - To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the TAC.
 - To train the employees of the TAC on latest technologies and techniques.
 - To impart theoretical exposure on software's to the employees of the TAC.

Communication Strategy

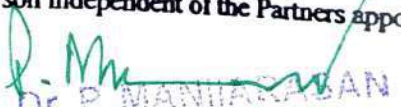

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

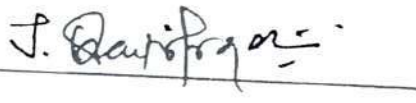

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding has been executed at Coimbatore on this 11th day of July 2017 between **SCULPTECLAT TECH SOLUTIONS PVT LTD** with their office at No .12, Ramasamy Street, R S Puram, Coimbatore, Tamil Nadu 641002, herein after called **SCULPTECLAT**. Which term shall mean and include its successors, representatives and assignees represented by the Director of the first part.

AND

Nehru Institute of Engineering and Technology located at Nehru Garden, T M Palayam, Coimbatore-641105, established in the year 2006 on behalf of itself and acting through **Dr. P. Maniiasaran, Principal**, Nehru Institute of Engineering and Technology party of the First part,

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

WHEREAS the **SCULPTECLAT TECH SOLUTIONS PVT LTD**, is a global provider of Information Technology Services based in India. The three major divisions are Training, Development & Consultancy. In Education & Training, **SCULPTECLAT TECH SOLUTIONS PVT LTD** offers high-end training.

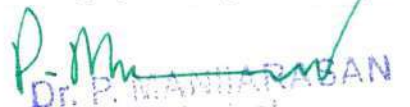

WHEREAS the **Nehru Institute of Engineering and Technology** offers a large number of courses both at undergraduate programs in Computer Science and Engineering. Now it is hereby agreed mutually as follows:

RESPONSIBILITIES OF NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY

1. Will provide the requisite and space for the computer lab.
2. Will provide the required number of computers and necessary software.
3. Will provide classroom facilities for the theory session.
4. Will provide electricity to run computer systems and other allied machineries for the lab.
5. Will ensure proper attendance, participation and conduct of the students.
6. In discussion with **SCULPTECLAT TECH SOLUTIONS PVT LTD** will undertake any special or specific promotional campaigns and the costs will be shared as agreed to by parties in advance.

RESPONSIBILITIES OF SCULPTECLAT TECH SOLUTIONS PVT LTD

1. Shall conduct the mentioned training programmes in the premises of **Nehru Institute of Engineering and Technology**
2. Shall provide the necessary support facilities for conducting course.
3. Will provide qualified Technical Consultants for teaching and training the students.
4. Nehru Institute of Engineering and Technology collaboration with **SCULPTECLAT** can organize Conference and Workshop.
5. Projects can be taken in cooperation with **SCULPTECLAT** and Nehru Institute of Engineering and Technology, **SCULPTECLAT** Employee will guide the project and accountable till the successful completion of the project. Project can be occurring either in College campus or **SCULPTECLAT**.

Dr. P. Mahalingam
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

6. **SCULPTECLAT TECH SOLUTIONS PVT LTD** gives special lecture to both faculties and students at **Nehru Institute of Engineering and Technology** to update their level of skills.

NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY and **SCULPTECLAT TECH SOLUTIONS PVT LTD** shall within 10 days from the signing of this MoU jointly formulate guidelines and to take policy decisions.

Monitoring Committee with the following members:

- a) Executive Director (**SCULPTECLAT TECH SOLUTIONS PVT LTD**) — (**NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY**)
- b) One Coordinator from **NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY**
- c) One Coordinator from **SCULPTECLAT TECH SOLUTIONS PVT LTD**

FORCE MAJEURE

No party shall be liable to the other if and to the extent, that the performance of any of its obligators under this agreement is prevented, restricted or interfered due to the circumstances beyond the reasonable control of such party including but not limited to Government Legislation, fire, flood, explosion, epidemics, accidents, Act of God, wars, riots, strikes, lockouts or other connected acts of workmen and act of Government.

TERMS OF AGREEMENT AND TERMINATION OF AGREEMENT

1. This agreement is effective from the date of signing by **SCULPTECLAT TECH SOLUTIONS PVT LTD** and shall be valid for a period of Three year (36 months) from the date of the agreement. The parties may renew this agreement for further periods on mutually agreed terms.
2. In the event of termination of the agreement, for whatever reasons, both the parties agree to fulfill their respective commitments to the already registered batch of students as if the agreement is still in force.
3. Notwithstanding the stipulation in above clause, each party is entitled to terminate this agreement immediately on any other party committing the breach, which is not

Dr. P. MAHalingam
Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

insignificant and such party does not remedy such breach within 30 days from written notice by the other party requiring the default party to remedy the same.

4. On termination of this agreement, neither party will be entitled to claim any compensation or damages for or in respect of or by reason of such termination, except where such claim is based on the default of the other party.
5. Either party may terminate this agreement by giving not less than 3 months notice to the other party.

TRAINING & MENDORING

The IT Course of Study will be offered at Nehru Institute of Engineering and Technology campus. Batch will be commenced with a minimum of 15 students.

DURATION OF MoU

This MoU shall be valid for a period of Three year from the date of signing the MoU, and shall come to an end on the expiry of the period unless it is renewed as hereinafter set out.

The request for renewal shall be made by **NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY** one month before the expiry of the current period to **SCULPTECLAT TECH SOLUTIONS PVT LTD** and **SCULPTECLAT** reserves the right to renew or not.

COPYRIGHT

The **NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY** hereby solemnly undertake that it shall not lend, copy, sell or otherwise give away any information about **SCULPTECLAT TECH SOLUTIONS PVT LTD**, its products, plans, services, programs, courses, course material to anyone at any time, at any cost even after this MoU ceases to exist, other than as provided for in this MoU.

MEMORANDUM OF UNDERSTANDING

BETWEEN

EMINENT TECHNOLOGY SOLUTIONS

AND

NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY

[Signature]
Dr. P. Muralidharan
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

This Agreement made and entered into on this 18th day of July month in the year 2017 between Eminent Technology Solutions (here after called ETS) which expression shall include its successors and permitted assignees) with its corporate office at Bangalore and Nehru Institute of Engineering and Technology (here after NIET), an Institution established in the year 2006 Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai, situated at Coimbatore, Tamil Nadu 641105.

[Signature]

[Signature]

OBJECTIVES OF THE MOU

This document outlines a strategic understanding between Eminent Technology Solutions, Bangalore and Nehru Institute of Engineering and Technology, Coimbatore to work together to offer the best Strategic Program in the field of Computer Application and Technology Development. The primary aim of this partnership is to aid NIET, Coimbatore, in establishing a high quality resource pools for the software Industry and able to design efficient academic curriculum activities.

AREAS OF COLLABORATION

- Industry based Curriculum Design
- Setting up, Operating & Maintaining the infrastructure required for training.
- Workshops.
- Internship.
- Placement Assistance.
- Promotion of the Software Certification Program among the students
- Industry Visit
- Consultancy

DR. P. MANIKARAN
Principal
Nehru Institute of Engg. & Technology
TM Palayam, Coimbatore - 641 105

Each of the above programs will be initiated by signing this agreement between the two parties.

MONITORING OF IMPLEMENTATION

A Co-ordination Committee consisting of two faculty members of NIET, Coimbatore and two officers nominated by ETS will do the planning and monitoring of the implementation of the various aspects of this MoU. There will be an annual review. This review would primarily focus on the curriculum progress, faculty availability and certification

> WORKSHOPS:

Technical Workshop: Each student will be provided one cutting edge technical workshops in an academic year. The topics of the event shall be shared to the HOD of the department of CSE (NIET) 10 days in advance. No topic shall be recurring unless and until stated by the management.

Any special training requirement from the NIET is subjected to be fulfilled by ETS for which the commercials would be discussed to the management prior confirmation.

Laptops and other electronic gadgets required for the workshop should be carried by the students and the ETS will not responsible for those physical aspects. NIET

is solely responsible for gathering the students and providing with necessary equipments for the session like microphone, projectors etc.,

The speakers for the session would be well experienced and from the industry of their domain.

➤ **INTERNSHIP:**

- (a) At the end of the workshop ETS selects 15 students for the internship in ETS development centre in Bangalore, Karnataka.
- (b) There would be no commercials involved on the neither from the student nor the ETS.
- (c) ETS takes the responsibility for providing the corporate level training and exposure to the students at the intern.
- (d) The duration of the intern would range from 3 months to 6 months which can be altered with a valid reason proposed by the students of NIET.
- (e) Certificate shall be provided to the students. Extra support shall be rendered to these students which shall be taken in the next clause.

➤ **PLACEMENT ASSISTANCE:**

- (a) The ETS assures to hire students from the interns if found satisfactory.
- (b) Other requirements from other companies shall also be forwarded to the placement cell of the CSE department of NIET.
- (c) ETS owes to help the CSE department for the placement in all the possible ways.

➤ **CERTIFICATION TRAINING:**

ETS provides a certificate program and the duration of the training would be 80 hrs which can be taken either during week days or weekends.

➤ **OTHER EVENTS:**

- (a) National events related to new software technologies, seminars etc will be conducted, for which the approval shall be taken prior from the management and taken forward.

(b) Consultancy for carrying out projects may be initiated by mutual agreements.

1. CONFIDENTIALITY:

(a) During and for a period of three years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.

(b) The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:

- is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
- is already known or become known to the receiving party
- is received from a third party having no obligations of confidentiality to the disclosing party,
- is independently developed by the receiving party; or
- is required to be disclosed by law or court order.

2. NON-EXCLUSIVITY:

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

3. TERMS AND TERMINATION:

This MOU, unless extended by mutual written agreement of the parties, shall expire 03 years after the effective date specified in the opening paragraph. This MoU may be terminated by either party through a notice of one month. Either party may terminate this MoU if either of the parties is frustrated by reasons beyond it's control from going ahead with the implementation of the provision of this MoU.

4. RELATIONSHIP:

Nothing in this MOU shall be construed to make party a partner, an agent or legal representative of the other for any purpose.

5. COSTS OF THE MOU:

Each Party shall bear the respective costs of carrying out the obligations under this MOU.

Memorandum of Understanding (MoU)

Between

FICE EDUCATION PVT LTD

&

Nehru Institute of Engineering and Technology

This Memorandum of Understanding has been executed at Coimbatore on this 4 day of April 2017 between FICE EDUCATION PVT LTD with their office at No .4, (old no 111) 6th cross road, Koramangala club road, koramangala 6th block, Bangalore 560095, herein after called FICE. Which term shall mean and include its successors, representatives and assignees represented by the Director of the first part.

AND

Nehru Institute of Engineering and Technology located at Nehru Garden, T M Palayam, Coimbatore-641105, established in the year 2006 on behalf of itself and acting through Dr. P. Maniiasaran, Principal, Nehru Institute of Engineering and Technology party of the First part,

WHEREAS the **FICE EDUCATION PVT LTD**, is a global provider of Information Technology Services based in India. The three major divisions are Training, Development & Consultancy. In Education & Training, **FICE EDUCATION PVT LTD** offers high-end training based on Intel IoT.

WHEREAS the **Nehru Institute of Engineering and Technology** offers a large number of courses both at undergraduate programs in Computer Science and Engineering. Now it is hereby agreed mutually as follows:

RESPONSIBILITIES OF NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY

1. Will provide the requisite and space for the computer lab.
2. Will provide the required number of computers and necessary software.
3. Will provide classroom facilities for the theory session.
4. Will provide electricity to run computer systems and other allied machines for the lab.
5. Will ensure proper attendance, participation and conduct of the students.
6. In discussion with **FICE EDUCATION PVT LTD** will undertake any special or specific promotional campaigns and the costs will be shared as agreed to by parties in advance.

DR. P. MANIARASAN
Principal
Nehru Institute of Engineering & Technology
T.M. Palayam, Coimbatore - 641 105

RESPONSIBILITIES OF FICE EDUCATION PVT LTD

1. Shall conduct the mentioned training programmes in the premises of **Nehru Institute of Engineering and Technology**
2. Shall provide the necessary support facilities for conducting course.
3. Will provide qualified Technical Consultants for teaching and training the students.
4. Nehru Institute of Engineering and Technology collaboration with FICE can organize Conference and Workshop.
5. Projects can be taken in cooperation with FICE and Nehru Institute of Engineering and Technology, FICE Employee will guide the project and accountable till the successful completion of the project. Project can be occurring either in College campus or FICE.
6. FICE gives special lecture to both faculties and students at Nehru Institute of Engineering and Technology to update their level of skills.

NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY and FICE EDUCATION PVT LTD shall within 10 days from the signing of this MoU jointly formulate guidelines and to take policy decisions.

Monitoring Committee with the following members:

- a) Executive Director (FICE EDUCATION PVT LTD) — (NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY)
- b) One Coordinator from NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY
- c) One Coordinator from FICE EDUCATION PVT LTD.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore - 641 105

FORCE MAJEURE

No party shall be liable to the other if and to the extent, that the performance of any of its obligations under this agreement is prevented, restricted or interfered due to the circumstances beyond the reasonable control of such party including but not limited to Government Legislation, fire, flood, explosion, epidemics, accidents, Act of God, wars, riots, strikes, lockouts or other connected acts of workmen and act of Government.

TERMS OF AGREEMENT AND TERMINATION OF AGREEMENT

1. This agreement is effective from the date of signing by FICE EDUCATION PVT LTD and shall be valid for a period of Three year (36 months) from the date of the agreement. The parties may renew this agreement for further periods on mutually agreed terms.
2. In the event of termination of the agreement, for whatever reasons, both the parties agree to fulfill their respective commitments to the already registered batch of students as if the agreement is still in force.
3. Notwithstanding the stipulation in above clause, each party is entitled to terminate this agreement immediately on any other party committing the breach, which is not insignificant and such party does not remedy such breach within 30 days from written notice by the other party requiring the default party to remedy the same.

4. On termination of this agreement, neither party will be entitled to claim any compensation or damages for or in respect of or by reason of such termination, except where such claim is based on the default of the other party.
5. Either party may terminate this agreement by giving not less than 3 months notice to the other party.

TRAINING & MENDORING

The IT Course of Study will be offered at Nehru Institute of Engineering and Technology campus. Batch will be commenced with a minimum of 50 students.

DURATION OF MoU

This MoU shall be valid for a period of **Three** year from the date of signing the MoU, and shall come to an end on the expiry of the period unless it is renewed as hereinafter set out.

The request for renewal shall be made by **NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY** one month before the expiry of the current period to **FICE EDUCATION PVT LTD** and **FICE** reserves the right to renew or not.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore - 641 105

COPYRIGHT

The **NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY** hereby solemnly undertake that it shall not lend, copy, sell or otherwise give away any information about **FICE EDUCATION PVT LTD**, its products, plans, services, programs, courses, course material to anyone at any time, at any cost even after this MoU ceases to exist, other than as provided for in this MoU.

NOTICES

Notices required under this assignment shall be in writing and shall be delivered in person or deposited in the Indian Postal Service mail, postage prepaid and addressed as follows:

Memorandum of Understanding

This Memorandum of Understanding is signed between Department of Electronics and Communication Engineering, Nehru Institute of Engineering and Technology (First party) located at Nehru garden, Tirumalayampalyam, Coimbatore-641 105, established in the year 2006 on behalf and acting through Dr.P.Maniiarasan, Principal, Nehru Institute of Engineering and Technology

AND

PIROOT Technologies, a company registered and having its head office at 400/22, 6th St Ext, Gandhipuram, Coimbatore-641 012 and represented by, Mr.G.Manjunathan, Managing Director, here in referred to as PIROOT, which term shall mean and include, unless repugnant to the context and meaning thereof its successors, legal representatives and assigns of the other part.

Now both the parties have agreed and consented to the following term and deeds in pursuance of a common intent to promote and develop interactions in the following areas

FIELD OF COOPERATION

1. Both the parties shall evolve an acceptable schedule to develop programs that are mutually beneficial.
2. PIROOT will permit 3 students of Nehru Institute of Engineering and Technology to undergo in plant training in their R&D centre for a period of 10 Days in the month of may / June during their summer vacation.

P. Maniiarasan

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105

3. PiROOT shall offer its expertise through the conduction of guest Lectures, workshops, course and Faculty development programs on areas such as **IOT and Embedded systems**,
4. PiROOT will permit 2 batches of students (4 students per patch) of **Department of ECE, Nehru Institute of Engineering and Technology** to carry out their final year projects in the areas specified by the second party.
5. The Faculty of **Nehru Institute of Engineering and Technology** and PiROOT will collaborate and explore for consultancy opportunities.
6. The Consultancy provided by the faculty of Nehru Institute of Engineering and Technology will be on good will basis.
7. Both the parties shall evolve a mutually acceptable schedule for exchange of visits.
8. Reciprocal arrangements based on mutually acceptable terms shall be accomplished to give an impetus to Collaborative research and joint projects.
9. Any new innovations and patents obtained out of joint collaborative research and joint projects.

MISCELLANEOUS

1. The Details for the efficacious implementation of this Memorandum of Understanding shall be jointly worked out on mutually acceptable terms within the parameters of the policies, rules and regulations of both the parties.
2. The parties to this memorandum may, by mutual consent, add modify, amend, delete, review or revise any term(s) and condition(s) of this agreement.
3. The intent and implementation of this memorandum is SUBJECT to the policies of the respective states (in case of international agreements) and the laws of the land.
4. The MOU shall remain in force for a period of one year from the date of its signature and seal, and may be terminated by either side by giving a six months notice to that effect in writing. However, notwithstanding the notice of the intent to terminate the memorandum, all rights, obligations and corresponding duties and subsisting therein shall be respected and mandated till the finalization and accomplishment thereof.
5. The parties to this MOU undertake to treat as CONFIDENTIAL AND PRIVILEGED information of either institution, which is so classified in advance. The terms of confidentiality and mode of disclosure shall be as per mutually acceptable terms.
6. This MOU shall require the ratification of the competent academic / executive body of both the parties.

Memorandum of Understanding

Analog Teaching Lab Setup at ECE Department, Nehru Institute of Engineering and Technology, Coimbatore

This memorandum of understanding is signed on the 16th December 2016 between the following institutions:

- a. STEPS Knowledge Services Pvt Ltd, Coimbatore which is University Program Partner of Texas Instruments, India
- b. Nehru Institute of Engineering and Technology, Coimbatore

This Memorandum of Understanding is proposed in order to establish a teaching lab facility using ASLK PRO Kits at Nehru Institute of Engineering and Technology, Coimbatore.

Through this Memorandum of Agreement, the two parties agree to the following.

(a) A steering committee will be set up to monitor the activities of the MoU. The committee will consist of the Manager – TI India University Program of STEPS Knowledge Services Pvt Ltd and the Nehru Institute of Engineering and Technology, Coimbatore. With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned.

(b) **Lab Setup:** The College will utilize their existing lab to use ASLK PRO Kits in course curriculum. STEPS Knowledge Services Pvt Ltd agrees to donate ASLK PRO Kits 4 nos to College under TI India University Program to setup Texas Instruments Analog Lab. STEPS Knowledge Services Pvt Ltd, working with TI India will also provide the branding, materials to setup the lab – e.g. posters and name plates. The College will be responsible for purchasing any other equipment required for setting up the lab and for the maintenance of the lab. STEPS Knowledge Services Pvt Ltd agrees to provide the necessary initial startup training and learning materials to begin with utilization of lab.

(c) **Curriculum:** The College will explore ways to introduce a lab-based course using Texas Instruments Analog Platform in their undergraduate/post graduate engineering curriculum.

(d) **Faculty Development Program:** Under TI University Program STEPS Knowledge Services Pvt Ltd & TI will organize at least one faculty development program at the premises of the College to help the faculty members in teaching Analog using ASLK PRO Kit. The College will provide the infrastructure and other facilities to conduct the event successfully.
